EDUCATION:

1.School level

Janata Rastriya Secondary School ,Dhangadhi-13 Kailali Gaun,Kailali

2011-2021

2.High School

NAST Secondary School ,Uttarbehadi-04 Dhangadhi,Kailali

2021-2023

3.Bachelor in Computer Engineering

NAST College (QAA certified college,Affiliated by Pokhara University)

2023-2027

SKILLS:

- Programming Languages: C, C++,Java,HTML,CSS,Javascript ,PHP,Python,bootstrap,vhdl,atmel
- Database: MySQL,
- Tools & Platforms: Git, GitHub ,figma,leetcode,canva

Language:

- English
- Nepali

1.Coursework Projects and Programming Skills:

- Applied object-oriented programming concepts through academic projects using C++ and Java.
- Built small-scale applications and implemented core data structures and algorithms to solve practical computing problems.

- Gained hands-on experience in MySQL for designing, managing, and querying relational databases effectively.
- Completed coursework in Operating Systems and Computer Networking, covering topics like memory management, process scheduling, and network protocols
- I have developed small projects like Ponggame,color matching puzzle as games and Saymala Kitchen,Booksghar as websites.

2. Collaborative Software Engineering Projects:

- Participated in a 3 days git and GitHub workshop organized by NAST IT Club.
- Participated in 1 day Coding Workshop organized by Girls in ICT Nepal.
- Participated in 3 days Figma UI/UX design Workshop by NAST IT Club
